

# Exercise 10

Due: Thursday, July 6, 2023

## Task 1: Questions regarding content of lecture and exercises

Our next and last exercise will be an opportunity for you to ask questions on the topics of the lecture as well as on any previous exercise sheet.

- i) Please formulate at least one question regarding the course content.
- ii) If you have a rather involved question, please let me know in advance so that I have time to prepare an answer / discussion about it with you in class.
